PESHAWAR  
PLASTIC RECYCLING  
FACTORY LLC

# *Introduction of* **Our Group Of Companies**

Welcome to Peshawar Plastic Recycling Factory LLC, where we are committed to recycling and trading a diverse range of plastics, including PPCP, PP, HDPE, LLD, PVC, ABS, and PS. As an integral part of a distinguished group of companies, alongside Lucky Star Wholesale of Recycling Non-Metal Scrap TR LLC and Ghayath Uddin Wholesale of Recycling Non-Metal Scrap TR LLC, we are dedicated to advancing sustainability and environmental conservation. Our collective expertise and resources enable us to provide comprehensive recycling solutions that promote resource efficiency and support a greener future.

*Recycling one ton of plastic can save up to 7,000 gallons of gasoline and reduce greenhouse gas emissions by approximately 3,500 pounds compared to producing new plastic from raw materials.*

# *Principles* **and Goals**

We are committed to recycling a wide range of plastics and advancing sustainability.

As part of a group that includes Lucky Star Wholesale and Ghayath Uddin Wholesale, we focus on effective recycling solutions to support a greener future.

*Sustainability*

*Resource Efficiency*

*Enhance Recycling Efforts*

*Improve Environmental Impact*

*Foster Collaboration*

# *Our* **Mission**

At Peshawar Plastic Recycling Factory LLC, our mission is to lead the recycling industry by transforming a wide range of plastics into valuable resources. We are dedicated to advancing sustainability through innovative practices and efficient processes. By focusing on high-quality recycling and environmental stewardship, we aim to contribute to a cleaner, greener future for our communities and the planet.

*Diverse Plastic Recycling*

*Eco-Friendly Practices*

# Our Vision

Our vision at Peshawar Plastic Recycling Factory LLC is to be a leading force in the recycling industry, transforming waste plastics into valuable resources.
